

Doubly Linked List:

Tom-> Dick-> Harry->

<-Harry <-Dick <-Tom

Nodes going out of range automatic cleanup:

Deleting node with a value Tom

Deleting node with a value Dick

Deleting node with a value Harry

Integer Doubly Linked List:

10-> 20-> 30->

<-30 <-20 <-10

Nodes going out of range automatic cleanup:

Deleting node with a value 10

Deleting node with a value 20

Deleting node with a value 30
